Trading CFDs and margin foreign exchange involves a high degree of risk and is not suitable for all investors. Leveraged trading carries the possibility of losses that may exceed your initial investment. You should carefully consider your investment objectives, level of experience, and risk appetite before engaging in trading. You do not own or have rights in the underlying assets. Past performance is not a reliable indicator of future results, and tax laws are subject to change. All information provided on this website is general in nature and does not take into account your personal circumstances. We strongly recommend that you seek independent advice if necessary, and read our legal documents carefully before trading with us.

## 1. Introduction

1.1 These Bonus and Promotions Terms and Conditions (the “Bonus Terms”) govern all promotional, incentive, rebate, reward, credit, or bonus offers (collectively, “Promotions”) made available by TabTrade Ltd. (“TabTrade”, “we”, “our”, or “us”).

1.2 These Bonus Terms apply in conjunction with TabTrade’s Terms and Conditions and any specific terms attached to a particular Promotion (the “Promotion Terms”).

1.3 In the event of inconsistency, TabTrade’s Terms and Conditions prevail over the Promotion Terms, and the Promotion Terms prevail over these Bonus Terms.

1.4 These Bonus Terms apply to all Promotions offered by TabTrade, including but not limited to:

- a. deposit or trading volume bonuses;
- b. cash or credit-based account incentives;
- c. referral, loyalty, or reward programs;
- d. trading competitions, giveaways, or prize-based campaigns; and
- e. rebates, spread reductions, or performance-based incentives.

1.5 Participation in any Promotion constitutes acceptance of these Bonus Terms and any associated Promotion Terms.

1.6 TabTrade may offer Promotions directly, or through authorised affiliates, referral partners, or marketing campaigns. All such Promotions are governed by

these Bonus Terms regardless of their source or presentation.

1.7 Participation in any Promotion is voluntary. You are not obliged to accept or participate in any Promotion offered by TabTrade.

1.8 By participating in a Promotion or accepting any Bonus, you acknowledge that you have read, understood, and agreed to be bound by these Bonus Terms and all related documents.

1.9 Promotions are subject to Governing Laws and may not be available in certain jurisdictions where such offers are prohibited or restricted.

1.10 Promotions are not directed at residents of the United States or any other jurisdiction where participation would be contrary to local law or regulation, or where the participant is subject to United Nations sanctions or otherwise restricted at TabTrade’s discretion.

1.11 TabTrade reserves the right to withhold, cancel, or revoke any Promotion granted to you if we reasonably believe that participation violates Governing Laws, regulatory requirements, or TabTrade’s internal policies.

## 2. Definitions

In this document, the following terms shall have the meanings set forth below, unless the context requires otherwise or unless otherwise specified:

### 3. Eligibility

3.1 To participate in a Promotion, you must:

- a. be at least 18 years of age and have full legal capacity to contract;
- b. hold an Approved Account;
- c. satisfy all identity verification and KYC requirements to TabTrade’s satisfaction; and
- d. meet any specific eligibility criteria stated in the applicable Promotion Terms.

3.2 The following persons are not eligible to participate in any Promotion:

- a. employees, competitors’ employees, contractors, or agents of TabTrade, and their immediate family members;
- b. Referral Partners, Affiliates, Introducing Brokers, or any entity participating in TabTrade’s Traffic Referral Program;
- c. any person located in a Restricted Territory or jurisdiction subject to United Nations sanctions, or where participation would be contrary to local law or regulation; or
- d. any person who has previously been suspended or terminated by TabTrade for breach of these or any other terms.

3.3 Joint accounts, multiple accounts under the same name, or accounts controlled by the same person are not separately eligible for the same Promotion unless approved in writing by TabTrade.

3.4 Each Promotion is limited to one participation per individual, per household, per account, per IP address, and per

device, unless expressly stated otherwise in the Promotion Terms.

3.5 Promotions are offered at the sole discretion of TabTrade and are not guaranteed to be available to you.

3.6 Accounts that share the same IP address, computer, or device may be treated as linked accounts for the purpose of these Bonus Terms.

3.7 Participation in a Promotion requires that your trading account remains active and in good standing at all times.

3.8 We may withhold or cancel a Promotion if your account is suspended, restricted, or under review for compliance or security reasons.

3.9 We may disqualify you from any Promotion where it reasonably suspects that:

- a. you have provided false or misleading information;
- b. you are acting alone or in concert with others to abuse or manipulate the Promotion; or
- c. your activity is inconsistent with genuine trading behaviour.

3.10 We may require additional documentation or verification to confirm eligibility before or after crediting a Promotion.

3.11 Failure to provide requested information within a reasonable timeframe may result in disqualification from the Promotion and forfeiture of any associated bonus or reward.

3.12 TabTrade's determination of eligibility is final and not subject to appeal.

## 4. Trading Requirements

4.1 Each Bonus or Promotion may include a Trading Requirement that must be satisfied before:

- a. any bonus is credited to your trading account or Wallet;
- b. any Bonus amount becomes withdrawable; or
- c. any profits derived from Bonus-funded trading become eligible for withdrawal.

4.2 The applicable Trading Requirement, timeframe, and calculation method will be defined in the specific Promotion Terms or notified within the Secure Account Portal.

4.3 Unless otherwise specified, Trading Requirements are calculated based on the notional volume of completed trades (in lots) and exclude pending, cancelled, or invalid trades.

## 5. Bonus Application

5.1 Each Promotion may have its own specific Promotion Terms which define the qualification criteria, duration, and payout method.

5.2 Bonuses are credited at TabTrade's discretion once all eligibility and qualification requirements are satisfied.

5.3 Bonuses may be applied:

- a. directly to a trading account balance;
- b. to a Client's Wallet in the Secure Account Portal; or
- c. as a temporary trading credit, rebate, or margin enhancement.

5.4 The specific method, timing, and currency of crediting are determined by the applicable Promotion Terms.

5.5 TabTrade may withhold, delay, or reverse any crediting where:

- a. qualification requirements are incomplete or under review;
- b. your account is not fully verified; or
- c. activity appears inconsistent with genuine trading behaviour or compliance standards.

5.6 Profits generated from trading activity using a Bonus are withdrawable only after the associated Trading Requirements have been met.

5.7 Any attempt to withdraw Bonus funds contrary to these conditions may result in immediate removal of the Bonus and related profits.

5.8 Each Bonus or Promotion is valid only for the duration stated in the Promotion Terms or, if unspecified, for thirty (30) calendar days from the date of issue.

5.9 Unused or unqualified Bonuses expire automatically upon expiry of the applicable period and will be removed from your account without prior notice.

5.10 We may, at our discretion, extend or renew a Bonus period by written notice or platform notification.

5.11 Unless expressly stated otherwise, Bonuses and Promotions cannot be combined or used concurrently.

5.12 Participation in one Promotion may disqualify you from participation in another Promotion running simultaneously.

5.13 Where multiple Promotions are available, we will apply the first qualifying Promotion by default unless you request otherwise and we accept that request in our sole discretion.

5.14 TabTrade reserves the right to cancel, revoke, or adjust any Bonus at any time if:

- a. the Bonus was credited in error or due to a system malfunction;
- b. the Client fails to meet qualification criteria within the specified timeframe; or
- c. TabTrade reasonably suspects any form of abuse, manipulation, or Prohibited Practice.

5.15 Any Bonus or related profit removed under this clause will not be reinstated unless TabTrade expressly determines otherwise.

5.16 Our records and calculations are final and conclusive regarding the issuance, application, and removal of any Bonus.

## **6. Bonus Funds**

6.1 Unless expressly stated otherwise in the Promotion Terms, Bonus amounts or any portion thereof:

- a. are not withdrawable cash;
- b. may be used solely for trading purposes and not for transferring, hedging, or offsetting trades between accounts; and
- c. may be removed from the Client's account upon withdrawal of deposited funds or closure of the account.

6.2 Where you withdraw any portion of your deposit or profits before meeting the

Trading Requirement, TabTrade may do any combination of the following:

- a. cancel or adjust the Bonus balance;
- b. forfeit any profits attributable to the Bonus; or
- c. reclassify prior trading activity as ineligible for the Promotion.

6.3 Withdrawals will be processed only after full completion of all verification, compliance, and Trading Requirement checks.

6.4 Bonus funds may be used solely for trading on TabTrade's trading platforms and may not be:

- a. transferred between accounts;
- b. used to hedge or offset positions with other accounts (including those held by related persons); or
- c. exchanged for cash or any other benefit.

6.5 Bonus funds do not constitute client money, and ownership of such funds remains with TabTrade until converted to withdrawable funds in accordance with these Bonus Terms.

6.6 Where a Bonus is used in trading, profits and losses will be attributed proportionally to your deposited funds and Bonus funds in accordance with TabTrade's internal calculation methodology.

6.7 TabTrade's determination of the amount of profit attributable to a Bonus is final and binding.

6.8 Profits determined to have been generated primarily through the use of

Bonus funds prior to meeting the Trading Requirement may be withheld or reversed.

6.9 Bonuses are non-transferable and may not be sold, exchanged, or assigned to any other person.

6.10 Any attempt to trade or share bonus entitlements with others is a material breach of these Bonus Terms.

## 7. Bonus Expiry

7.1 Unless otherwise stated in the applicable Promotion Terms, all Bonuses, credits, or rewards issued under a Promotion will automatically expire thirty (30) calendar days from the date they are credited to your account.

7.2 Expired Bonuses are removed from your account balance automatically and are not reinstated under any circumstances.

7.3 If your trading account remains inactive for a period of thirty (30) consecutive calendar days, any active Bonus or unclaimed Promotion will expire automatically. For the purposes of this clause, "inactive" means no trading activity, deposit, withdrawal, or login within the relevant period.

7.4 Certain Promotions may include shorter or longer expiry periods based on the nature of the offer, trading conditions, or regulatory requirements.

7.5 Any such differing expiry conditions will be clearly stated in the Promotion Terms and will override the default expiry rules in this Section.

7.6 TabTrade may, at its sole discretion, expire or cancel a Bonus prior to its scheduled expiry date where:

- a. the Client closes or withdraws funds from the trading account;
- b. the account is suspended, restricted, or under compliance review; or
- c. the Client violates any provision of these Bonus Terms or the applicable Promotion Terms.

7.7 Early expiry under this clause may result in forfeiture of the Bonus and any associated profits.

7.8 TabTrade may, but is not obligated to, provide advance notice of impending Bonus expiry via the Secure Account Portal or email.

7.9 Failure to receive or read an expiry notification does not affect the validity of the expiry or forfeiture of the Bonus.

7.10 Once expired, a Bonus cannot be reissued, reinstated, or exchanged for cash or any other benefit.

7.11 Any profits derived from trading activity conducted solely with expired Bonus funds may be reversed or removed from your account at TabTrade's discretion.

## 8. Qualification Period

8.1 Each Promotion specifies a Qualification Period. Unless otherwise stated, the Qualification Period commences on the date the Bonus is credited and expires after sixty (60) calendar days.

8.2 Bonuses not fully qualified within the Qualification Period will expire automatically, and the associated Bonus funds and unrealised profits may be removed.

8.3 If your account becomes inactive or dormant before fulfilling the Trading Requirement, any active Bonus or pending reward will be voided.

8.4 TabTrade may remove a Bonus where you close your account prior to meeting the Trading Requirement.

## 9. Prohibited Practices and Disqualification

9.1 You must participate in Promotions in good faith and in accordance with these Bonus Terms, the Promotion Terms, and all Governing Laws.

9.2 We actively monitor all trading activity and account behaviour for signs of abuse, manipulation, or Prohibited Practices.

9.3 Any use of Prohibited Practices constitutes a material breach of these Bonus Terms and may result in immediate disqualification, forfeiture of Bonus funds, and account suspension.

9.4 The following are considered Prohibited Practices:

- a. opening multiple accounts (whether in your name or in the names of related persons) to obtain multiple Bonuses or qualify for additional rewards;

  - g. colluding with third parties, Introducing Brokers, or affiliates to generate non-genuine trading volume or bonus qualification activity; or
  - h. permitting any third party, whether an affiliate, Introducing Broker, or acquaintance, to manage your trading account for the purpose of exploiting Promotions or Bonuses.

9.5 TabTrade considers the following conduct to be Fraudulent Activity:

- a. providing false or misleading information in connection with account registration or participation in a Promotion;

- c. attempting to withdraw Bonus funds prior to meeting the applicable Trading Requirement;

- d. registering multiple identities or IP addresses to claim or transfer Bonuses;
- e. participating in Promotions through proxy, VPN, or shared device access intended to conceal identity or location; or
- f. exploiting software, platform, or system errors for financial gain.

9.6 Where we reasonably suspect any Prohibited Practices, Fraudulent Activity, deception, or deliberate abuse of TabTrade's systems or Promotions we may do any combination of the following:

- a. freeze affected accounts;
- b. suspend withdrawals or bonus eligibility;
- c. reverse transactions or profits;
- d. disqualify you from current or future Promotions;
- e. cancel all Bonuses and associated profits;
- f. close all related accounts;
- g. recover any losses, damages, or costs suffered by TabTrade; or
- h. report the matter to law enforcement or regulatory authorities.

9.7 TabTrade's findings and determinations regarding Prohibited Practices, Fraudulent Activity, deception, or deliberate abuse of TabTrade's systems or Promotions are final and binding.

9.8 TabTrade has no obligation to provide prior notice of disqualification where immediate action is necessary to protect its commercial or regulatory interests.

9.9 Clients disqualified from a Promotion have no right to claim compensation or reinstatement of forfeited funds.
