Trading CFDs and margin foreign exchange involves a high degree of risk and is not suitable for all investors. Leveraged trading carries the possibility of losses that may exceed your initial investment. You should carefully consider your investment objectives, level of experience, and risk appetite before engaging in trading. You do not own or have rights in the underlying assets. Past performance is not a reliable indicator of future results, and tax laws are subject to change. All information provided on this website is general in nature and does not take into account your personal circumstances. We strongly recommend that you seek independent advice if necessary, and read our legal documents carefully before trading with us.

1. Introduction

1.1 These Refer a Friend Terms and Conditions (the "Program") set out the terms applicable to TabTrade's client referral program.

1.2 The Program allows existing clients to refer new clients to TabTrade and receive a referral reward once specified funding and trading requirements are met.

1.3 This Program is governed by TabTrade's Bonus and Promotions Terms and Conditions ("Bonus Terms"). In the event of inconsistency, the Bonus Terms prevail.

1.4 Capitalised terms used but not defined in these Terms have the meaning given in the Bonus Terms.

2. Eligibility

2.1 To participate in the Program, you must:

- a. hold an Approved Account in good standing;
- b. satisfy all KYC and verification requirements; and
- c. submit referrals through TabTrade's official referral system or referral link.

2.2 The referred person must:

- a. be a new client who has not previously held or applied for a TabTrade account;
- b. successfully complete account registration and verification;
- c. open and fund a live trading account.

2.3 The following referrals will not qualify under this Program:

- a. self-referrals;
- b. accounts controlled or operated by the referrer;
- c. referrals originating from the same IP address, device, household address, or otherwise determined by TabTrade to be connected accounts;
- d. any activity determined by TabTrade to be inconsistent with genuine referral behaviour.

3. Qualification Requirements

3.1 A referral is considered a "Qualified Referral" once the referred client satisfies the following conditions within thirty (30) calendar days of opening their trading account:

- a. deposit funds into their live trading account; and
- b. complete the minimum required trading activity.

3.2 The applicable qualification thresholds are as follows:

Deposit over USD 500 and trade five (5) lots (FX or equivalent): USD 100 reward for both the referrer and the referred client.

Deposit over USD 2,000 and trade twenty (20) lots (FX or equivalent): USD 250 reward for both the referrer and the referred client.

3.3 For the purposes of this Program:

- a. trading volume is measured as the notional volume of completed trades;
- b. trades must remain open for a minimum of ten (10) minutes to qualify toward the trading requirement.

3.4 Deposits, trading volume, or activity determined by TabTrade to be non-genuine, manipulated, or abusive will not count toward qualification.

4. Reward Payment

4.1 Once all qualification requirements are satisfied, the applicable referral reward will be credited to the referrer and the referred client.

4.2 Rewards may be credited to:

- a. the client's trading account; or
- b. the client's Wallet in the Secure Account Portal.

4.3 The method, timing, and currency of reward payment are determined by TabTrade.

4.4 Referral rewards do not constitute client money and remain subject to the Bonus Terms.

4.5 Rewards may be withheld, delayed, adjusted, or reversed if eligibility or qualification requirements are not satisfied or are under review.

5. Program Limits

5.1 TabTrade may impose limits on the number of referrals eligible for rewards under this Program.

5.2 TabTrade may modify referral reward amounts, qualification requirements, or payout mechanics at its discretion.

5.3 Participation in certain promotions may modify the reward amounts available under this Program.

6. Abuse Prevention

6.1 TabTrade actively monitors referral activity to prevent misuse of the Program.

6.2 TabTrade may withhold, cancel, reverse, or remove any referral reward where it reasonably suspects:

- a. self-referrals or related-party referrals;
- b. creation of multiple accounts to generate rewards;
- c. manipulated or artificial trading activity;
- d. any activity inconsistent with genuine referral behaviour.

6.3 TabTrade's determination of referral eligibility, qualification status, and reward calculation is final and binding.

7. Modification and Termination

7.1 TabTrade reserves the right to modify, suspend, or terminate the Program at any time in accordance with the Bonus Terms.

7.2 Any reward credited in error or obtained through breach of applicable terms may be reversed.
