Trading CFDs and margin foreign exchange involves a high degree of risk and is not suitable for all investors. Leveraged trading carries the possibility of losses that may exceed your initial investment. You should carefully consider your investment objectives, level of experience, and risk appetite before engaging in trading. You do not own or have rights in the underlying assets. Past performance is not a reliable indicator of future results, and tax laws are subject to change. All information provided on this website is general in nature and does not take into account your personal circumstances. We strongly recommend that you seek independent advice if necessary, and read our legal documents carefully before trading with us.

## 1. Introduction

1.1 A Virtual Private Server (VPS) provides a dedicated remote computing environment where you can operate algorithmic tools such as Expert Advisors around the clock. By hosting your trading systems externally, you can benefit from improved execution speeds, greater operational reliability, and protection against interruptions caused by your local internet connection, power supply, or hardware.

1.2 These Sponsored VPS Terms and Conditions (the "VPS Terms") govern the rules of participation in the VPS Program (the "VPS Program") offered by TabTrade Ltd. ("TabTrade", "we", "our", or "us") through which a Sponsored VPS may be provided to you free of charge, subject to certain conditions being met.

1.3 These VPS Terms apply in conjunction with TabTrade's Terms and Conditions. In the event of inconsistency, TabTrade's Terms and Conditions prevail over the VPS Terms.

1.4 Participants in TabTrade's VPS Program are eligible to access a Sponsored VPS under the terms set out in this document.

## 2. Definitions

In this document, the following terms shall have the meanings set forth below, unless the context requires otherwise or unless otherwise specified:

"Approved Account" means an approved TabTrade trading account in good standing and in compliance with TabTrade's Terms and Conditions.

"Eligibility Criteria" means the criteria set out in section 4.1 and 4.2 of these VPS Terms.

"Qualifying Client" means a participant in the VPS Program who meets the Qualification Criteria.

"Qualification Criteria" means the criteria set out in section 4.3 of these VPS Terms.

"Sponsored VPS" means any VPS hosting service made available free of charge to Qualifying Clients under this VPS Program.

"VPS" means Virtual Private Server.

## 3. Access to a Sponsored VPS

3.1 As a participant in this VPS Program, you may be eligible to receive a Sponsored VPS at no cost, subject to meeting the Eligibility Criteria.

3.2 A Sponsored VPS generally includes access to a virtual environment suitable for running automated trading systems, such as Expert Advisors, with sufficient computing resources to support stable trading operations. The technical specifications of the VPS may vary and are subject to change from time to time at TabTrade's discretion.

3.3 To request access to a Sponsored VPS, you must contact TabTrade through our support team or client portal. We will confirm your eligibility within five business days of receiving your request.

3.4 You may choose to discontinue the Sponsored VPS at any time. To do so, you must notify TabTrade in writing at support@tabtrade.com, providing your

name, account number, and request for removal from the Sponsored VPS.

3.5 If you discontinue the Sponsored VPS, you may reapply at a later date, provided that you meet the applicable eligibility requirements at the time of your new application.

## 4. Eligibility and Qualification Criteria

4.1 The VPS Program is available only to clients who hold an Approved Account.

4.2 The following persons are not eligible to participate in the VPS Program:

- a. employees, competitors' employees, contractors, or agents of TabTrade, and their immediate family members;
- b. any person located in a restricted territory or jurisdiction subject to United Nations sanctions, or where participation would be contrary to local law or regulation; or
- c. any person who has previously been suspended or terminated by TabTrade for breach of these or any other terms.

4.3 To qualify for a Sponsored VPS, you must meet each of the following criteria:

- a. achieve a minimum trading volume of USD 4,000,000 (or the equivalent in any currency or asset) within a calendar month in aggregate across all trading accounts you hold with us; and
- b. maintain your account in good standing and in compliance with TabTrade's Terms and Conditions.

4.4 If you meet the Qualification Criteria in any given calendar month, you will receive access to the Sponsored VPS for the following calendar month at no cost.

4.5 If you do not meet the criteria, your access to the Sponsored VPS may be suspended until the Qualification Criteria is met again.

4.6 Each participant is eligible for one Sponsored VPS under this VPS Program unless otherwise indicated by us.

4.7 TabTrade may amend the Eligibility Criteria, Qualification Criteria, or other conditions of this VPS Program from time to time. It is your responsibility to ensure that you are aware of the current terms and requirements.

## 5. Using a Sponsored VPS

5.1 A Sponsored VPS may only be used for trading activities conducted through TabTrade.

5.2 You must use the Sponsored VPS in accordance with our Terms and Conditions and these VPS Terms. You must not use the Sponsored VPS for any unlawful, prohibited, or inappropriate purpose, including but not limited to:

- a. attempting to gain unauthorised access to systems, networks, or data;
- b. transmitting malicious code, spam, or harmful software; or
- c. hosting unrelated software, content, or services not connected to trading activity.

5.3 The VPS Program and these VPS Terms are provided for operational

purposes only and do not constitute advice, a suggestion to trade, or an invitation to enter into any transaction. Your use of the Sponsored VPS does not imply any endorsement of a specific trading approach.

5.4 You should not rely on the Sponsored VPS as the basis for your trading decisions. It is your responsibility to ensure that any automated trading strategies or software used on the Sponsored VPS operate in a manner consistent with your own trading objectives and risk management preferences.

## 6. Our Rights

6.1 We may, at our absolute discretion and without advance notice, alter the terms of the Sponsored VPS, temporarily withdraw your access, modify the VPS Program, or discontinue it entirely.

6.2 TabTrade may, at its discretion, exclude any client from the VPS Program or terminate access to the Sponsored VPS if it reasonably believes that the client has:

- a. breached these VPS Terms or our Terms and Conditions; or
- b. acted fraudulently or obtained an unfair or unintended advantage in relation to the VPS Program.

6.3 Any trades that are later voided, cancelled, or reversed in accordance with our Terms and Conditions will not count toward meeting the Eligibility Criteria. If access to the Sponsored VPS has already been provided based on such trades, TabTrade may terminate participation in the VPS Program.

## 7. General Provisions

7.1 You are responsible for ensuring that you have the necessary internet connection, hardware, and software required to access and operate the Sponsored VPS. TabTrade is not liable for any losses, interruptions, or delays resulting from technical issues, network failures, or other factors beyond its control.

7.2 Periodic updates or maintenance may be required for the Sponsored VPS, which could result in temporary unavailability. TabTrade will endeavour to provide advance notice of scheduled maintenance where practicable, but may perform critical updates at any time without prior notice.

7.3 Access to a Sponsored VPS does not represent a commitment by TabTrade to continue offering the VPS Program or to provide similar services in the future.

7.4 A Sponsored VPS is not available in jurisdictions where its provision or use would be contrary to local laws or regulations.

7.5 You are solely responsible for all trading activity conducted through your account using the Sponsored VPS.

7.6 TabTrade may amend these VPS Terms from time to time. Continued participation in the VPS Program constitutes acceptance of any updated VPS Terms.

7.7 These VPS Terms and any non-contractual obligations arising from them are governed by the laws of Saint Lucia. You agree to submit to the

non-exclusive jurisdiction of the courts of  
Saint Lucia.
